## Q4 What other measures, besides CCTV, do you think could help reduce antisocial behaviour in the village?

#	RESPONSES	DATE
1	Leading question	12/14/2024 9:48 AM
2	Unscheduled visits by the constabulary	12/13/2024 2:39 PM
3	If possible police presence like they do in culloompton. Maybe patrolling in the evenings	12/12/2024 2:05 PM
4	Parish Council could call a public meeting to discuss setting up a youth club, or something similar to give the youth in the illage somewhere to go	12/11/2024 11:23 AM
5	Getting evidence to the police	12/11/2024 8:25 AM
6	Increased police presence	12/11/2024 1:07 AM
7	Somewhere safe and interesting for teenagers to hang out.	12/10/2024 7:25 PM
8	More Police Patrols, neighbourhood watch area	12/10/2024 5:41 PM
9	Police visibility, youth groups that are built around purpose and community, giving them a sense of purpose and say in what happens around them. For example, let them choose and design spaces to spend time, they then "own" it and will hopefully respect the space	12/10/2024 5:07 PM
10	Large fines for parents.	12/10/2024 1:11 PM
11	Punishment and action	12/10/2024 1:09 PM
12	Better youth provision. The scouts are a great start but we need funding for a youth leader and youth clubs for the various age ranges up to 18. These could be based out of Magelake Which has both the room and grounds to make a good provision. The village also needs better policing. A visible police presence on a regular basis is app proven deterrent to antisocial behaviour and crime generally.	12/10/2024 12:19 PM
13	We desperately need to collaborate with youth and parents to create safe spaces for young people, even just to be together. A youth club would be fantastic and we understand people have been volunteering but apparently it's just in discussion!	12/10/2024 12:07 PM
14	More police presence.	12/10/2024 11:35 AM
15	More police	12/10/2024 10:56 AM

20	More Police walking around the whole village	12/10/2024 8:50 AM
21	A police presence, youth clubs, better parenting!	12/10/2024 7:29 AM
22	Community Police officer, regular activities for 'the youth' (clearly they are bored). A club of some kind, what interests do they have which would spark their imagination	12/10/2024 7:07 AM
23	More police liaison	12/10/2024 7:03 AM
24	Ensure that both the parent and the child are held to account. For example, made to pay for the damages and do community service.	12/10/2024 6:52 AM
25	Community policing	12/10/2024 6:33 AM

26	Police presence	12/10/2024 6:12 AM
27	To see a local the local police ,youth club	12/10/2024 5:46 AM
28	A youth club	12/10/2024 5:11 AM
29	Police presence	12/10/2024 5:07 AM
30	Youth club	12/10/2024 1:34 AM
31	Police presence	12/10/2024 12:39 AM
32	N/a	12/9/2024 11:53 PM
33	The kids especially teenagers need something somewhere to go they are bored this is a small village we need a youth club a few nights a week they could come - table tennis - table football- disco nights - crafts - learn a new art/craft/trade lots of ideas I'm sure a lot of parents me for one would be happy to help run it - the old premier shop sat empty would be ideal venue we have other places sat doing nothing it's wrong we need to help the youth of our village, after all look what we do to support the elderly why not do the same for the younger generation	12/9/2024 11:39 PM
34	Police presence	12/9/2024 11:35 PM
35	I think parents should be more aware of where and what their children are getting up to, especially when it involves vandalism.	12/9/2024 11:11 PM
36	More police	12/9/2024 11:03 PM
37	More police presence	12/9/2024 10:41 PM
38	A village policeman	12/9/2024 10:38 PM

48	Police presence	12/9/2024 10:09 PM
49	Involvement of school. no clubs or activities on offer for teens.	12/9/2024 10:08 PM
50	Regular Police Community Support Officer walkabouts with Dispersal Orders issued for those found to be offending. It is shameful that certain individuals repeatedly damage/vandalise property designed to benefit Uffculme residents and visitors alike. There has also been a couple of instances of assault with and without a weapon. This is extremely concerning for residents as we need, and deserve to feel safe whilst out and about in the village.	12/9/2024 10:04 PM
51	It seems to be the actions of one kid. No clubs or opportunities will help	12/9/2024 10:01 PM
52	Parents should making sure there children are behaving and not wandering the streets at night	12/9/2024 10:00 PM

54	More police presence	12/9/2024 9:51 PM
55	Setting up a neighbourhood watch scheme, consult with police as to what legal powers residents have to preserve their property	12/9/2024 9:48 PM

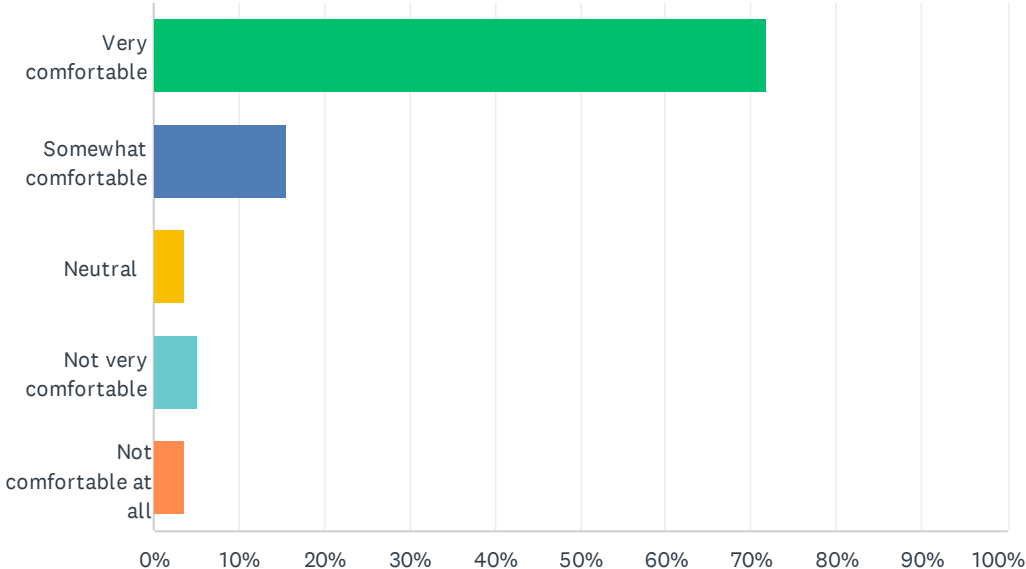

56	More patrols , police presence	12/9/2024 9:43 PM

11	Misuse of personal data/images	12/9/2024 10:00 PM
12	Any footage should be available under the Freedom of Information act. This will depend on storage/system used and should be clearly communicated.	12/9/2024 9:48 PM
13	None	12/9/2024 9:02 PM
14	We are oversurveilled as a society and need to find different ways to work together as a community	12/9/2024 8:35 PM
15	far too much CCTV in this country	12/9/2024 8:19 PM
16	Who is going to monitor the CCTV, how will the data being stored and who will have access to the cameras. If damaged who is responsible?	12/9/2024 6:51 PM
17	Worry about children or an adult (however an adult would be at an age to be held responsible for their actions) causing issues being 'outed' on a public forum with CCTV evidence as has previously occurred. This may at seem like it helps to share info but could cause a lot of angst and worry for the parents and family of the child and not necessarily supportive of encouraging young people to make better choices.	12/9/2024 5:49 PM
18	Concerned about retention of recordings, who has access to viewing recordings and recordings being posted on social media. I would like to see a clear GDPR and data handling/processing policy which is easily accessible to all and a clear policy that images must not be shared on social media except at the express wish of the police.	12/9/2024 5:42 PM
19	Concerned that my young son would be filmed without permission, it is an increasing issue with society, cameras everywhere. .	12/9/2024 4:20 PM
20	I would just say I think the anti social behaviour is caused by a very few people and not sure if it would deter the regular offender but may deter other youngsters from getting involved	12/9/2024 4:08 PM
21	just general concerns about who has access to recordings and how they are managed so not to put innocent peoples privacy at risk if material is used in the identification of anti social behaviour.	12/9/2024 3:02 PM

23	Who would mointor, manage and store the data. Would it be comply with data protection etc	12/9/2024 2:25 PM
24	I suppose only thing would be around kids playing in the park. However, if it was only accessed at intervals for monitoring or when crime committed	12/9/2024 2:15 PM

1	It's not a panacea	12/14/2024 9:48 AM
2	The maintenance may out way the benefits. They will probably get vandalized too.	12/13/2024 2:39 PM
3	We have them on our pub [REDACTED] & we think they do act as a deterrent	12/12/2024 2:05 PM
4	Consider sustainability and decent technology.	12/10/2024 7:25 PM
5	Sooner the better	12/10/2024 5:41 PM
6	This feels like a last resort that we have not reached yet, there are less extremes to try, I also don't feel like it's a massive issue anyway	12/10/2024 5:07 PM
7	No	12/10/2024 4:10 PM
8	Plenty of signage and good coverage around the parks and public toilet.	12/10/2024 12:19 PM
9	Ideally it needs to happen around the park and public toilets. Even the threat of a camera can prevent vandalism and bad behaviour, but as a village you do need to hold a consultation with people who maybe willing to help young people have more of a purpose. The classic thing that always happens at the end of May onwards, is when the Year 11's are finished school and only going in for exams. They cause all sorts of mischief because they are bored. A collaborative initiative with the school may be helpful for this particular aspect... 11	12/10/2024 12:07 PM
10	No	12/10/2024 11:35 AM
11	They will need to be high enough, so can't be vandalised.	12/10/2024 7:29 AM
12	Who would monitor the CCTV? What quality of picture would there be (pointless getting a fuzzy thing that doesn't help anyone). Where is the budget for this coming from?	12/10/2024 7:07 AM
13	Supposedly the responsible child is known by the village and their parents are also aware. So will CCTV actually deter? Also the CCTV needs to be high enough that it can't just get broken by the anti social behaviour or is hidden	12/10/2024 6:52 AM
14	Highland park/terrace is rife with antisocial behaviour	12/10/2024 6:12 AM
15	Let's hope we catch those responsible	12/9/2024 10:41 PM
16	It seems to work in other places	12/9/2024 10:26 PM
17	A shame that it's come to this, but measures must be taken to stop it worsening.	12/9/2024 10:25 PM
18	None	12/9/2024 10:23 PM
19	I think that the families who are struggling with their teenagers should be offered support, more school holiday and after school activities and holiday club schemes	12/9/2024 10:18 PM
20	Who maintains it? Who controls the data?	12/9/2024 10:00 PM
21	Who would manage this? Would a CCTV system be open to abuse or over-subscription? It needs to be carefully considered as to how it is implemented and managed thereafter. It could be quite time consuming. Subscription costs, maintenance/servicing, equipment open to vandalism etc.	12/9/2024 9:48 PM
22	Possibly skate park and bowls club neex this	12/9/2024 9:43 PM
23	Who would monitor this & how would it be paid for.	12/9/2024 9:41 PM
24	We don't use the park as much as we would like as it's often full of broken glass. Hopefully	12/9/2024 9:38 PM

CCTV would hold people more accountable for their (and their kids') behaviour

25	Consider by coldharbour and magelake as the river is also an area for ASB	12/9/2024 9:33 PM
26	What resources will be needed to monitor them.	12/9/2024 9:02 PM
27		12/9/2024 8:47 PM
28	put oin places so as not. to be vandalise	12/9/2024 8:42 PM
29	Don't do it	12/9/2024 8:35 PM
30	Speed cameras to inhibit reckless and speeding traffic on motorbikes, quadbikes, 4x4s and lorries.	12/9/2024 8:31 PM
31	As far as I'm aware we do not have a problem in the village	12/9/2024 8:19 PM
32	Speaking to schools, assemblies at schools, speaking to younger community about what would help, more clubs etc.	12/9/2024 8:18 PM
33	It would hopefully stop some of the mindless vandalism. But commonly worn hoodies (and increasingly popular balaclavas) make it difficult to definitively identify people. And the risk would be that these terminally bored youths who seem unable to entertain themselves in "normal" non destructive or criminal ways would possibly just take it elsewhere where there were no cameras.	12/9/2024 8:16 PM
34	I worry about taking 'matters' into own hands. We need to report through the correct channels and encourage villagers to do the same. We have the police for a reason, build a safer community through education, relationship building with all ages , respect and positive role models. If CCTV worked - cities would be crime free.	12/9/2024 6:51 PM
35	Hopefully they won't be vandalised	12/9/2024 6:17 PM
36	The risk of installing CCTV is that the problematic behaviours then move to areas of the village without surveillance. So vandalism etc does not decrease but shifts location.	12/9/2024 5:42 PM
37	The sooner the better please	12/9/2024 3:34 PM
38	I fully support this - we shouldnt have to put up with the constant vandalism of our village amenities!	12/9/2024 3:01 PM
39	I think something needs to act as a deterrent	12/9/2024 2:15 PM
